1. Aims

By learning through this program, the participants will deepen their understanding not only about Japan in general but specifically about Ise. Also, through the real-time internet communication published by the participants, the profile of Ise in the world will be raised.

2. Eligibility of applicant

Foreign nationals who satisfy any of the following conditions and agree with the aims of the program:

- someone currently enrolled in a graduate program outside of Japan (either an M.A. or Ph.D. course);
- someone who has already obtained either an M.A. or a Ph.D.; or
- someone currently enrolled in a graduate program in Japan as a regular or exchange student (either an M.A. or Ph.D. course).

3. Requirements

An applicant must satisfy all the following requirements:

(1) To be able to submit a letter of recommendation from the graduate school where the applicant is studying at/graduated from or the applicant's academic supervisor of the graduate school where the applicant is studying at/graduated from or a person equivalent of that standing.

(2) To be able to understand classes in Japanese language.

(3) To be able to write and post messages about Ise in his/her own blog/SNSs, etc. in English or his/her native language at least once a day and be able to explain the contents in Japanese.

- To be able to bring his/her own communication device (laptop, smart phone etc.) to post messages regarding Ise.

- To be able to create a report in English or his/her native language with Japanese translation of the gist of the contents. It is desirable that the applicant can put out the content of the report once he/she returned to his/her country and university etc. after completing the program.

(4) A participant participating from abroad must be covered by travel insurance. Those already living in Japan must be covered by Japanese Kenko Hoken medical insurance.

4. Number of participants (preliminary)

- 10 participants from outside of Japan
- 4 participants from inside Japan

5. Program period and date of arrival

The program runs 20 days from 17 February 2020 (Mon) to 7 March 2020(Sat).

- Selected participants to arrive at the designated accommodation in Ise city, Mie prefecture on either 15 (Sat) or 16 (Sun) February 2020.

6. Expenses paid

(1) Travel

A. Participants from outside of Japan

- Return air ticket (economy class) and return train fare between either Chubu or Kansai International Airports and the designated accommodation in Ise city, Mie prefecture

B. Participants living in Japan

- Return train fare between the nearest train station from home and the designated accommodation in Ise city, Mie prefecture

Note: Travel expense is only provided for the cost directly related to the program. The air ticket will be arranged by the University.

(2) Accommodation

Accommodation will be provided from the arrival at the designated accommodation in Ise city, Mie prefecture till the end of the program.

● The participants will be staying at Kogakkan Kaikan operated by the University.

Note: The participants will be staying a hotel in Nara on 1 March 2020 (Sun). This itinerary might change.

(3) Others

- Cost for lunch and dinner (excluding holidays)

- Cost for welcome and farewell parties

- Transportation cost for group activities, etc.

7. Application procedure

An applicant must submit necessary documents described in (1) below to the International Exchange Desk at the University (Kokusai-koryu tanto, Kogakkan University) before 17:00 of 30 November 2019 (Sat). All the documents must be of A4 size. Please download the application form from the “Latest News” page of the University’s website (<http://ise-japan.kogakkan-u.ac.jp/>) and fill in the form, referring to the candidate selection criteria described in 8. Selection and notice of the selection result below.

(1) Application documents

A. Application form
